

Chilled-out Tuesdays

Griffith Tennis Club will be running social pay-as you-play evenings on Tuesdays throughout the Spring Season, to carry on all the good social-tennis from Winter Wednesdays!

The format is hopefully ideal for those who enjoy a social game of tennis but can't commit to a set comp – just come along whenever you want to.

Time: **7pm to 8pm** (or whenever...)

Dates: **Tuesday 4 September – Tuesday 11 December**
(15 weeks in total)

Cost: **\$5 per player each evening**
(to cover balls, lights and court/club house use)

As per Winter Wednesdays, sets will be arranged depending on numbers each week, for both doubles and singles games, as preferred. If you would like to gather up your own collection of players to have a hit amongst yourselves, that's fine too!

Chilled-out Tuesdays will be ideal to make the most of those lovely spring and summer evenings, socialising and keeping active. Again, a fantastic opportunity for new or interested players to get into the swing of weekday tennis.
